SUBJECT: Reimbursements for Gym Membership for Lake County Tribal Members

This memorandum is to provide notice that Tribal Council has decided to offer reimbursement for gym membership fees to Tribal Members who are residents of Lake County. These funds are provided by Lake County Tribal Health Consortium and thus are limited only to those Tribal Members who reside in Lake County, California.

The Tribe wants to encourage and promote health and wellness for Tribal Members, and is grateful to Lake County Tribal Health Consortium for providing this funding to Tribal Member residents in Lake County. The reimbursement will be provided to Tribal Members upon submission of receipts for initial enrollment fees and monthly fees incurred beginning January 1, 2019. The reimbursement will be solely for the adult Tribal Member, not for any other non-Tribal Member household members or dependents. Expenses for any purchased supplies, gym clothes, gym equipment, or travel to the gym will not be reimbursed.

This reimbursement program will remain in effect until the Tribe is able to re-establish the gym facility at Middletown Rancheria.

Thank you,
Middletown Rancheria Tribal Council
