Water Quality Testing Demo at Campsite Workshop Tent

The ITEY Campout was a team effort of the Tribes of the North Coast region. Our office helped with conducting Tidepool and Stream fieldtrips and a campsite Geo-Caching Coastal terrace habitat workshop with water quality education throughout. And then when the day was done, cooked for almost 200 Tuesday and hosted evening traditional dancers Wednesday. Special thanks to Luya, Kim, Amy, Stephanie, Ivy, Rebecca, Cristian, Daniel, Adrian, Cliff, Michael, Randall, Landon, and the Tribal Council. We all learned a lot and hope to bring more outdoor events to our community soon.
