please include a contact number, date and time on ticket of when available. Thank you.

# welcome

## NEW TEAM MEMBERS

**Tommy Sheffer**

**Middletown Rancheria Maintenance**

### WELCOME TOMMY

**Wayne Yost**

**Tribal Chief Financial Officer**

Welcome Wayne Yost, the new Tribal Chief Financial Officer. Mr. Yost received his Associates Degree at Yuba College, and his Bachelor's Degree in Administration from St. Mary's College in Moraga. He is a Certified Public Accountant and has a long history in Lake County, having provided CFO services to Redbud Hospital District (now St Helena Hospital Clearlake) and Lakeside Community Hospital (now Sutter Lakeside) as well as private practice as a CPA. He most recently served as Chief Financial Officer of Ravenswood Family Health Network in East Palo Alto, a Federally Qualified Health Center serving low income and underinsured medical, dental and behavioral health patients. He and his wife Cheryle are long time residents of Kelseyville.

"May the stars carry your sadness away, May the flowers fill your heart with beauty, May hope forever wipe away your tears, And, above all, may silence make you strong." "Hold on to what is good, even if it's a handful of earth. Hold on to what you believe, even if it's a tree that stands by itself.

What is life but a flash of a firefly in the night?

It is the breath of a buffalo in the wintertime. It is the little shadow which runs across the grass and loses itself in the sunset."

("Being Indian is an attitude, a state of mind, a way of being in harmony with all things and all beings. It is allowing the heart to be the distributor of energy on this planet; to allow feelings and sensitivities to determine where energy goes; bringing aliveness up from the Earth and from the Sky, putting it in and giving it out from the heart"). (Brooke Medicine Eagle)

# HOME MAINTENANCE AND REPAIR CLASS

PACT™ PRE-APPRENTICESHIP CERTIFICATE PROGRAM

## In-Person in Our Brand New, State-of-the-Art Workshop!

PRESENTED BY  
Lake County Tribal Health  
Consortium Job Skills Program

IN PARTNERSHIP WITH  
Home Builder's Institute

The LCTHC Human Services offers its native patients an extensive Home Maintenance and Repair class, which prepares the student for an entry-level position in construction.

- HMR classes are for anyone looking to improve their skills in any of the trades listed above. No commitment is necessary and drop-in students are welcome to attend the weekly demonstrations.
- Students who wish to earn a PACT™ certification in one or more of these trades may do so after successful completion of the 12-week basic skills course offered.
- Participation requires attendance of all safety and first aid lectures, including passing safety test, held at the beginning of each 12-week semester.

Workshops will cover one specific home repair/improvement or installation project on one of the following subjects from the PACT certificate core curriculum.

- **Masonry**
- **Plumbing**
- **HVAC**
- **Electrical**
- **Carpentry/Framing**

### All Classroom Work is Completed at the Students' Own Pace

Your success matters to us! Personal tutoring and mentoring is given to every student based on their need.
